

# The 40 Most Notable New Developments Currently Under Construction

By Dylan Pilaar

Construction cranes are popping up like weeds across the city, and these days folks are used to new buildings rising up in just a matter of months. The current construction boom is one for the record books, and as such we've decided to celebrate this exciting time in the city's history with a map of the **forty most notable buildings under construction right now in San Francisco**. Think a project deserves to be on the list but hasn't been featured? Drop us a line or let us know in the comments. Here now, without further ado, SF's forty active new development sites.

## NEMA

NEMA is the largest residential building under construction in Mid-Market and topped out as of last week.
